

BREMEN
LIVE IT!

Welcome to Bremen!

Bremen is well worth discovering. This is a city of traditions – it has a 1,200-year history and is home to the Bremen Town Musicians, yet it retains a cosmopolitan outlook. Bremen is also the eleventh-largest city in Germany, a European centre for the space and aeronautics industries, a city of science and home to the Überseestadt district, one of the largest urban development projects in Europe.
